Welcome to the 2010 Season of the North East Ohio Academy Riders UPHA Chapter 13 Winter Tournament Series!

Arrival Time to Windy Knoll is no earlier than 7:30 a.m. Start time will be 9:30 a.m. Please be early so we can keep on schedule, and give everyone a chance to show.

Attire Sweaters, sweatshirts, turtlenecks, and/or vests are acceptable attire. All riders should wear boots and jods, breeches, or appropriate riding attire (no jeans). Gloves and whips are optional. Long hair should be secured neatly and appropriately and should not obstruct the view of the rider's back number. **Helmets must be worn by those under 18 years old.**

Age is determined by USEF Rules, Riders shall keep their age as of December 1st of the season.

Definitions:

Show Rider classes are designed for those who have participated in open shows other than academy or 4H. Show Riders may participate on their own horses or on lesson horses, and show tack is optional but not required.

Open Classes are open to all amateurs. All open horses must be shown in show appropriate tack (full bridles for Saddle Seat horses, acceptable hunt bridles and proper western bridles, full show silver for western horses is not required). This class is open to show or academy riders provided tack requirements are met. This is not a trainers class, please use your best judgment as we are trying to encourage people to get in the industry, this is not intended for green broke horses.

Academy Rider classes are for novice riders who participate in a lesson program and who have had no prior show experience other than Academy or 4H. Academy riders should show lesson horses and the horse should be prepared as if giving a lesson protective leg gear is permitted, horses may use any type of bridle, saddle should be acceptable to the seat riding. There is no cross entering between Academy WT and Academy WTC.

Entries So that we may do an adequate job of having class splits and entries ready please fax or email your entries in **NO LATER** than Friday evening prior to the tournament. **Entries received after Friday will be charged a ten dollar per rider fee.** All entries must have release forms on file before riders will receive a back number.

Pattern classes all pattern classes will not have rail work, and will run individual riders at a time, making sharing horses an option.

Release Forms All riders must have a release form filled out and on file before back numbers will be issued.

Splits/Combination/Cancelled Classes NEOAR reserves the right to combine, cancel, add or split any class. All classes with more than five entries will be split.

Stalls MUST be cleaned before you leave! This is the second year we have been able to use this facility, as part of our arrangement we **MUST** clean our own stalls before leaving. We also all need to do our part to keep the ring clean, please have volunteers ready to clean up after your own horses and others.
